ENVIRONMENTAL MANAGEMENT SYSTEM / SYSTEM REOLI AMGYLCHEDDOL

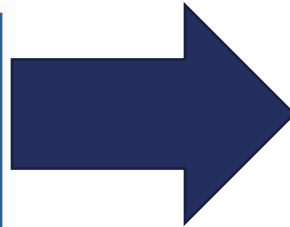

Please be aware of / Byddwch yn ymwybodol o:

OUR WORKING ENVIRONMENT

At Swansea University we are recognised as a leader in organisational sustainability. Currently in the top ten of the **Guardian-published People and Planet 'Green League'**, we manage our impact on our environment via our **award-winning Environmental Management System**.

We have been awarded the **Carbon Trust Standard for Waste** and are committed to positive procurement across the institution.

Click on the links below to discover more about how we reduce and manage our environmental impacts and ensure a healthy, sustainable and positive working and learning environment for our diverse university community:

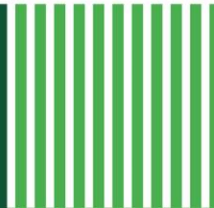

Procedures include:

- Biodiversity
- Climate emergency
- Discharge to drain
- Labs
- Offices
- Spill response
- Travel
- Waste, recycling & reuse
- Contractors

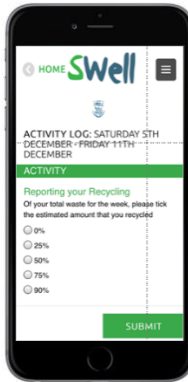

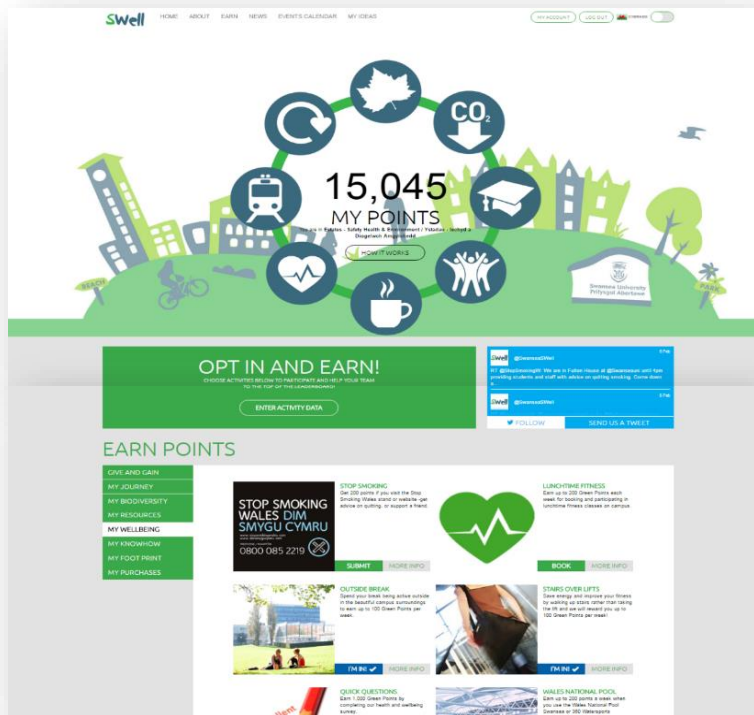

Mae gweithdrefnau'n cynnwys:

- Bioamrywiaeth
- Argyfwng Hinsawdd
- Gollwng i ddraen
- Labordai
- Swyddfeydd
- Ymateb i ollyngiad
- Teithio
- Gwastraff, ailgylchu ac ailddefnyddio
- Contractwyr
